## II. Program Changes

Proposed New CIP Code (if applicable):

Are you changing  Yes  No

**admission requirements?\***

Are you changing program learning objectives?  Yes  No

If yes, describe changes to learning objectives:

Are you changing course requirements?  Yes  No

Are you changing degree completion requirements?  Yes  No

Are you changing the culminating experience?  Yes (complete the culminating experience section below)  No

Are you adding a new subplan?  Yes  No

Other Changes (e.g. subplan titles,...):  Yes  No

If not a Dual itself, is this program also available as part of a Dual-Degree offering?  Yes  No

## Summary of Changes

**Provide a brief summary of proposed changes:** Removing MD requirement details from the dual degree page in the catalog, and adding instead a link to the MD program also inside the graduate catalog.

**Provide a rationale for each proposed change:** Due to the complex nature of the Doctor of Medicine curriculum, this change facilitates management of curriculum requirements and ensures applicants and students are obtaining the best resources on the program.

## SCHEMA SECTION

**Please edit the schema section after launching the proposal. To launch, please complete all other fields of this form and click "validate and launch" at the bottom. If an error message pops up, please click "show me" and fill in all red (missing) fields in the form and click "validate and launch" again until successfully launched.**

In this section, please use the instructions below to change the graduate catalog display of program requirements: descriptions, admissions, courses, degree completion, graduation, etc.

Please note that the new graduate catalog will display the exact information that you edit in this section.

### INSTRUCTIONS:

1. Click on the "View Curriculum Schema" icon at the bottom of the "Schema Section."
2. If you are only adjusting existing content, click on the respective Core you would like to edit, then make your edits and click on "Save" as you go. If you are deleting a subplan or courses, simply delete the respective Cores or courses and adjust the descriptive content accordingly.

If you are adding new subplans and/or adding or substituting courses, please see the steps below:

**Prior to following the steps below, please open in parallel a structurally similar program from the graduate catalog as a reference ([UNLV Graduate Catalog](#)). You will use this reference to review the sections of a program plan, and have direction on expected content.**

3. Click "Add Core" to create blank "Cores." Create as many Cores as you will need. If unsure, refer to other subplans already in this program or to a reference in the graduate catalog to understand how many Cores you need and their expected content.
4. Click on each Core and rename them following your needs or a catalog reference, clicking on "Save" as you go.
5. Add content to all of the cores by clicking within the field to be edited and clicking "Save" as you go. Please note that course sections require instructions of how the credits must be taken (e.g. "Complete x credits by completing all of the following courses," or "Complete x credits of advisor-approved courses," or "Complete 3 credits of course-x and 6 credits of course-z," etc.).
6. To add courses, click on the "View Curriculum Courses" tab at the top of the schema window below, then click on the "Import Course" button at the bottom of the "View Curriculum Courses" window. Click on the available import catalog (only one will be available), and on the import window, select "filter by prefix." (1) Search for your desired course prefix; (2) then click "search available curriculum; (3) then click on all courses that will be imported. Add courses to proposal by clicking, at the very bottom, on the "Add Courses to Proposal" button. Repeat this process as often as you need until all courses are added to the proposal.
7. For courses that do not exist yet at the time of this proposal: Add the courses into the description box of the respective course section in the following way: "PREFIX - NUMBER - Course name, (credits)."
8. Add the courses into their respective course section by clicking "add course" within each course section.

**QUESTIONS?** Step-by-step guides are available at the [Graduate Curriculum Website](#), and at any time please contact [gradcurriculum@unlv.edu](mailto:gradcurriculum@unlv.edu)

## **Plan Description**

**This is a dual degree offered by the Lee Business School in conjunction with the Kirk Kerkorian School of Medicine at UNLV.**

**The Lee Business School MBA Programs at UNLV is designed for those who seek global career and leadership opportunities.**

**The world is changing quickly and today's business leaders are faced with new challenges in a complex business environment supported by new communication technologies and organizational structures.**

**Success in the new global marketplace requires teams of executives working across functions and across borders.**

**The MBA programs at UNLV prepare students to succeed in today's business environment by providing them with the needed skills, knowledge, and tools to become visionary and creative leaders.**

**The program focuses on ethics and critical thinking, business communications, the role of the firm and its goals and markets, firms' strategic planning and positioning, supply chain management, international business culture, information technology, leadership, and teamwork.**

**Our faculty and administration are committed to fulfilling the recently revised college mission: to advance the knowledge and practice of the disciplines that constitute business and administration and to foster the intellectual and economic vitality of Nevada and the Intermountain Region through teaching, research, and outreach.**

**Our faculty are committed to continuous quality improvement of the curriculum. To achieve the best outcome, the faculty embrace no single teaching method, but rather employ a combination of methods best suited to the particular objectives of the course.**

**Lectures, group discussions, seminars, case studies, computer simulations, and individual and group research projects are frequently used within courses and across the curriculum.**

**The mission of the Kirk Kerkorian School of Medicine at UNLV is to prepare a diverse student body for the delivery of patient-centered care and meaningful careers in clinical practice, research, and community service.**

**The program integrates foundational science and primary care clinical experiences with community-based service learning that addresses population health and social disparities, incorporates independent research projects that contribute to the growth of scientific knowledge and community health resources, and develops strong commitments to public service and lifelong learning.**

**The curriculum is community-based, and includes instruction in biomedical ethics, ethical decision making, patient safety, population health, as well as training in**

ethical decision-making, patient safety, population health, as well as training in professionalism, cultural competence, bias recognition and reduction,

interprofessional collaborative skills, and non-traditional medical topics, such as hospitality and the legal and business facets of medicine.

The Doctor of Medicine (MD) program emphasizes the core competencies of medical practice: knowledge, patient care, communication, reflection and self-improvement, professionalism, and understanding of broader healthcare system.

The curriculum is organized around the relationships between students, faculty, and the community, and provides the cognitive and technical skills necessary to succeed in any clinical environment.

Students will directly apply their learning in the service of others, and provide compassionate, high quality care in collaboration with many other health professionals.

**For more information about your program, including your graduate program handbook and learning outcomes, please visit the [Degree Directory](#).**

## Plan Admission Requirements

### [Application deadlines](#)

Applications available on the [UNLV Graduate College website](#).

The admission requirements for the dual degree are the same as those stated under the original programs linked below:

- [Master of Business Administration](#)

- [Doctor of Medicine](#)

See the Application Process section under the MBA and MD programs linked above.

Applications will be reviewed by representatives of both Schools, in an independent process within each college. Applicants must be admitted to both schools to qualify for the dual degree program for that term.

If denied by one program, the applicant will have the option of proceeding with a single degree program with departmental approval.

All domestic and international applicants must review and follow the Graduate College Admission and Registration Requirements.

Students are accepted into a degree program as described in the Graduate Catalog.

## Plan Requirements

Total Credits Required: 208

------------------------------	---

### Total Credits Required for the Doctor of Medicine: 178

Please refer to the [Kirk Kerkorian School of Medicine at UNLV](#) for more information about the requirements for the MD.

## Degree Requirements

The MBA degree requires a minimum of 30 credits of approved course work. All requirements listed above must be completed successfully as defined by the Lee Business School, Kirk Kerkorian School of Medicine at UNLV, and the Graduate College. All required courses are sequenced so students may acquire the tools and skill they need for success in the program.

## Graduation Requirements

The student must successfully complete the MBA capstone course. Students cannot graduate from one portion of the dual degree until the requirements for both are met.

Students must apply to graduate from both programs for the same semester.

The Kirk Kerkorian School of Medicine at UNLV's Student Progress Committee is responsible for making final decisions regarding the progress, promotion, and qualification for graduation of medical students.

Students will receive a copy of the [Kirk Kerkorian School of Medicine at UNLV Student Handbook](#) during orientation, which outlines policies and procedures pertaining to academic progress.

For more information about the Doctor of Medicine program please visit the [Kirk Kerkorian School of Medicine at UNLV website](#).
