Describe the changes and the rationale for each change:*

The School of Medicine's Curriculum Oversight Committee, upon annual review of the educational program, voted to change the name of the Longitudinal Integrated Clerkship to Longitudinal **Interleaved** Clerkship since 'interleaved' better represents the rotation schedule of the students. That is, students rotate in a discipline for 1-2 weeks maximum and then rotates in another discipline for the next 1-2 weeks. Interleaved is a more accurate term to describe the clerkship experience.

Please attach a current accessible syllabus by navigating to the "attach a file" icon at the right of this form.
