Effective Term and Year*

Spring 2020

Justification for Course Change:*

The MA in Economics requires 3 credits of ECO 793. ECO 793 was once offered as 2 credits during Fall Semester and 1 credit during Spring Semester for a total of 3 credits. The split class required flexible credit hours and necessitated students to repeat the course. The course is now offered as 3 credits every semester. Students neither need to enroll for less than 3 credits nor repeat the course. Their ability to enroll for less than 3 credits and repeat the course creates enrollment problems.

Run an Impact Report by clicking  in the top left corner and answer below according to the results. Copy and paste the results below:

Are you adding a Service-Learning designation to this course?*

Yes No

If the Service-Learning designation is being added to this course:

A syllabus in Word or PDF format must accompany this form.

Graduate syllabi must meet the minimum criteria as required by the Provost's office (See Semester Memo under Executive Vice President and Provost Policies and Forms www.unlv.edu/policies).
