Effective Term and Year*

Fall 2021

Justification and Description of Course Change:*

In consultation with the Grad College, we would like to change the course from a 3 credit course to a variable credit (1 or 2 credits). This better reflects the work load that students do for the course, which is taken in both the Fall and Spring semester, with more substantial out of class work done in the Spring than in the Fall.

Run an Impact Report by clicking  in the top left corner and answer below according to the results. Copy and paste the results below:

Degree and/or certificate program(s) impacted by this change (Results of Impact Report)*

Neuroscience Ph.D.

Substantive changes will necessitate a Program Change form be submitted.

Detail the changes to the program catalog entry required due to this change.*

The total number of credits taken across two years (6 credits) will remain the same for the purpose of the program. Therefore, no program change is needed.

Will this course be listed as the 'same as' another course?*

Yes No

It yes, list the course

Are you adding a Service-Learning designation to this course?*

Yes No

If the Service-Learning designation is being added to this course:

A syllabus in Word or PDF format must accompany this form.

Graduate syllabi must meet the minimum criteria as required by the Provost's office (See Semester Memo under Executive Vice President and Provost Policies and Forms www.unlv.edu/policies). Graduate courses that are linked to undergraduate courses (300/500 and 400/600 level joint courses) must clearly state in the syllabus how the class experience and expectations are different for graduate students, what additional requirements students enrolled in the graduate level course must fulfill, and how the grading scale will be applied to graduate students.

Please attach a current syllabus by navigating to the Proposal Toolbox and clicking  in the top right corner.

Information about Service-Learning is available [here](#). Faculty can visit the [faculty Service-Learning page](#) as well as the [UNLV Guide for Service Learning](#) for additional information.

If adding Service-Learning designation, syllabus is attached
