Describe the changes and the rationale for each change:*

We are updating this course to reflect a more focused approach to internet for learning. When this course was originally developed, it was intended to demonstrate a broad look at how the internet is used as a learning tool. Today, much of this has been encapsulated within learning management systems. For this reason, we are shifting from a broad view of the internet for learning to a focused view within learning management systems.

Effective Term and Year:*

Changing the Catalog Description:

- avoid the use of the words *student*, *course*, and *covers*.
- incomplete sentences are ok.
- avoid repeating the course title.
- use of an active voice, e.g. *explores*, *investigates*,...

No program changes, just a course update.

CROSS-LISTING OR COMBINING COURSES

300- or 400-level courses may be cross-listed with 500-level courses; 400-level courses may also be cross-listed to 600-level courses. Courses that are at the 700 level and above may not be cross-listed with undergraduate courses.

Select one of the options:*

- Same As= e.g. Undergraduate: same content and same career (UG/UG). Graduate: Same/similar course content and same career (Grad/Grad)
- Cross-listing= Cross-listed courses contain the same or similar content and may be in different programs (e.g. WMST 621 & SOC 621) or different careers (e.g. BIOL 467 & BIOL 667 or PSC 722 & PHIL 728)
- Not Cross-Listed or Same As Not changing crosslisting

List cross-listing courses (or type "none" or "no changes"):

none

CROSS-LISTING RATIONALE

Please answer the following questions in the "rationale" field below:

What aspect of graduate preparation is met via this course that goes beyond the undergraduate program?

What common aspects are offered in the cross-listings and what grad level pieces are not?

What would be beneficial in offering the cross-listed courses from a graduate education perspective?

**Cross-listing or
Combining Rationale:**

Service Learning Designation

Are you adding a
Service-Learning
designation to this
course?*

Yes No

If the Service-Learning designation or Crosslisting is being added to this course:

An accessible syllabus in Word or PDF format must accompany this form.

Graduate syllabi must meet the minimum criteria as required by the Provost's office (See Semester Memo under Executive Vice President and Provost Policies and Forms <https://www.unlv.edu/policies/current-policies>). Graduate courses that are linked to undergraduate courses (300/500 and 400/600 level joint courses) must clearly state in the syllabus how the class experience and expectations are different for graduate students, what additional requirements students enrolled in the graduate level course must fulfill, and how the grading scale will be applied to graduate students.

Please attach a current accessible syllabus by navigating to the "attach a file" icon at the right of this form.

Information about Service-Learning is available [here](#). Faculty can visit the [faculty Service-Learning page](#) as well as the [UNLV Guide for Service Learning](#) for additional information.
