  - Cross-listing= Cross-listed courses contain the same or similar content and may be in different programs (eg., WMST 497 & SOC 497) or different careers (e.g., BIOL 467 & BIOL 667 or PSC 722 & PHIL 728)
  - Not Cross-Listed or Same As

**If yes, list the course** CEE 473, CEM 453, CEM 653

If yes, please include below the rationale for crosslisting, answering to the following questions:

- 1) What aspect of graduate preparation is met via this course that goes beyond the undergraduate program?
- 2) What common aspects are offered in the crosslistings and what grad level pieces are not?
- 3) What would be beneficial in offering the crosslisted courses from a graduate education perspective?

**Crosslisting Rationale:**

1. The graduate level students are required to submit a paper assigned by the instructor.
2. All the topics are similar for these cross listed courses, however for the graduate level course, the students need to complete a paper.
3. These cross listed courses will help those graduate students who have not taken an undergraduate level course in this area.
