Comments

Kendall, Chris submitted hard copies to me of the proposal and the syllabus that GCUA had to scan to distribute and, when scanned, the form and the syllabus are together. The proposals received technical review from the Graduate College on 2-14-17 and Chris Stream signed off unit approval on 4-25-17. The GCUA Graduate Committee does not object to this moving forward and signed off on 4-28-17 as am I for the College. Given this is a PDF, I cannot add signatures or dates, unfortunately.
