

# Doctor of Physical Therapy

## 2 Graduate Program Change 2022-23

### I. General Information

The faculty member originating this proposal is to complete sections I and II.

Before starting this form, please review graduate curriculum website on policies and processes: <https://www.unlv.edu/graduatecollege/curriculum>

Click **"validate and launch proposal" button below.** Once the pop-up window comes up and displays an error message, click on the "show me" button (on the pop-up). This will highlight in red the required fields of this form. Fill in **ONLY** the red (required) fields.

With all red fields completed, click on the **"validate and launch proposal" button** again to launch the proposal. The pop-up this time should not display an error, and will display instead a **"launch proposal" button.** Click on the **"launch proposal" button** to launch.

**After launch, please fill in all remaining fields in the form to reflect your intended changes, including edits to the schema section of this form (further explained below).**

Department (s) (if Dual or Interdisciplinary please add all departments):\*

Physical Therapy

Degree or Certificate Name:\*

Doctor of Physical Therapy

Degree Type:\*

Doctor of Physical Therapy

Program Type:\*

Doctoral

### II. Program Changes

Proposed New CIP Code (if applicable):

Are you changing  Yes  No

admission requirements?\*

Are you changing program learning objectives?  Yes  No

If yes, describe changes to learning objectives:

Are you changing course requirements?  Yes  No

Are you changing degree completion requirements?  Yes  No

Are you changing the culminating experience?  Yes (complete the culminating experience section below)  No

Other Changes (e.g. subplan titles,...):\*  Yes  No

If not a Dual itself, is this program also available as part of a Dual-Degree offering?  Yes  No

## Summary of Changes

**Provide a brief summary of proposed changes:**

Addition of Kira interview to the application to PTCAS.

4. Kira Interview is required. This KIRA assessment is a one-way interview that is required and must be submitted along with your other PTCAS application materials. The process will take 20-30 minutes to complete on your own time. You will be asked a question and given prep time and a set amount of time to respond. You'll be able to record your responses from the comfort of your home, and you can do so in your own time.

You will need access to a desktop or laptop computer with a functioning camera, microphone, and internet connection to complete the interview. If you have any technical questions while completing the assessment, please email support@kiratalent.com.

**Provide a rationale for each proposed change:**

This additional item has been added to improve our admission process.

### Office of Online Education

Programs that are 100% online must contact the Office of Online Education (<https://www.unlv.edu/provost/online-education>).

Email: [elizabeth.barrie@unlv.edu](mailto:elizabeth.barrie@unlv.edu)

**What is the current delivery/mode of instruction for this program? \***

- 100% face-to-face courses
- Hybrid (some online courses; some face-to-face courses)
- 100% online courses

**Are you changing the delivery/mode of instruction? (select new mode):\***

- 100% face-to-face courses
- Hybrid (some online courses; some face-to-face courses)
- 100% online courses (contact office of online education)
- No Changes

## Required Additional Documents:

Please attach required documents by navigating to the “attach a file” icon at the right of this form.

Information and forms available at the [Office of the Vice Provost for Academic Programs](#) website.

**If changing to 100% online delivery, please attach the following:**

Assessment Plan - A new assessment plan will be required when adding an exclusively online mode of delivery to a degree and it must be approved by the [Office of Academic Assessment](#), [assessment@unlv.edu](mailto:assessment@unlv.edu),

Dean's memo of support

Teach Out Plan (available at the [Office of the Vice Provost for Academic Programs](#) website).

**If 100% Online, attach the required documents and mark the checkboxes:**

- Assessment Plan
- Dean's memo of support
- Teach Out Plan

## Office of Educational Compliance

Programs that lead to professional licensure or certification must contact the Office of Educational Compliance (<https://www.unlv.edu/provost/ed-compliance>).

Email: [leeann.fields@unlv.edu](mailto:leeann.fields@unlv.edu)

**With this change, does this program lead to professional licensure or certification?\***

- Yes (contact office of educational compliance)
- No

## SCHEMA SECTION

**Please edit the schema section after launching the proposal. To launch, please complete all other fields of this form and click "validate and launch" at the bottom. If an error message pops up, please click "show me" and fill in all red (missing) fields in the form and click "validate and launch" again until successfully launched.**

In this section, please use the instructions below to change the graduate catalog display of program requirements: descriptions, admissions, courses, degree completion, graduation, etc.

Please note that the new graduate catalog will display the exact information that you edit in this section.

### INSTRUCTIONS:

1. Click on the "View Curriculum Schema" icon at the bottom of the "Schema Section."

2. If you are only adjusting existing content, click on the respective Core you would like to edit, then make your edits and click on "Save" as you go. If you are deleting a subplan or courses, simply delete the respective Cores or courses and adjust the descriptive content accordingly.

If you are adding new subplans and/or adding or substituting courses, please see the steps below:

**Prior to following the steps below, please open in parallel a structurally similar program from the graduate catalog as a reference ([UNLV Graduate Catalog](#)). You will use this reference to review the sections of a program plan, and have direction on expected content.**

3. Click "Add Core" to create blank "Cores." Create as many Cores as you will need. If unsure, refer to other subplans already in this program or to a reference in the graduate catalog to understand how many Cores you need and their expected content.

4. Click on each Core and rename them following your needs or a catalog reference, clicking on "Save" as you go.

5. Add content to all of the cores by clicking within the field to be edited and clicking "Save" as you go. Please note that course sections require instructions of how the credits must be taken (e.g. "Complete x credits by completing all of the following courses," or "Complete x credits of advisor-approved courses," or "Complete 3 credits of course-x and 6 credits of course-z," etc.).

6. To add courses, click on the "View Curriculum Courses" tab at the top of the schema window below, then click on the "Import Course" button at the bottom of the "View Curriculum Courses" window. Click on the available import catalog (only one will be available), and on the import window, select "filter by prefix." (1) Search for your desired course prefix; (2) then click "search available curriculum; (3) then click on all courses that will be imported. Add courses to proposal by clicking, at the very bottom, on the "Add Courses to Proposal" button. Repeat this process as often as you need until all courses are added to the proposal.

7. For courses that do not exist yet at the time of this proposal: Add the courses into the description box of the respective course section in the following way: "PREFIX - NUMBER - Course name, (credits)."

8. Add the courses into their respective course section by clicking "add course" within each course section.

**QUESTIONS?** Step-by-step guides are available at the [Graduate Curriculum Website](#), and at any time please contact [gradcurriculum@unlv.edu](mailto:gradcurriculum@unlv.edu)

## **Plan Description**

The course of study at the University of Nevada, Las Vegas is an entry-level professional program designed to prepare students to enter the profession of physical therapy. A Doctor of Physical Therapy Degree is awarded following the successful completion of the program that consists of intense academic and clinical work spread over six semesters and three summers. Students are prepared as generalists, but also have an opportunity to investigate specialized aspects of physical therapy through numerous clinical exposures. The program of study consists of 112 credits of graduate course work. These credits are divided among classroom, clinical, and research activities. For more information about your program, including your graduate program handbook and learning outcomes, please visit the Degree Directory.

## **Plan Admission Requirements**

**Application deadlines** Applications available on the UNLV Graduate College website. Students enrolling in any class in the Department of Physical Therapy must be admitted (graduate standing only, no graduate provisional standing accepted) to the program in the Summer semester of each year. Since enrollment is limited in the Physical Therapy program, satisfactory completion of prerequisite courses does not assure an applicant of admission. No student may take any class as a "Non-Degree Seeking" student. Admissions criteria are reviewed by the faculty annually and are subject to change. Prior to application to the program, the individual is advised to fully explore the nature of the profession of physical therapy. Students are expected to volunteer in or visit various physical therapy facilities in order to gain a broad view of the roles and responsibilities of a physical therapist. As part of the interview process, students will be assessed on their knowledge of the scope of the profession of physical therapy. After applications are received, they are reviewed regarding the minimum requirements, i.e., baccalaureate degree, GPAs, etc. Only the leading candidates will be invited for interviews during the Spring semester, which are based on satisfactory completion of the admission requirements. All domestic and international applicants must review and follow the Graduate College Admission and Registration Requirements. The following requirements are considered for admission into the Doctor of Physical Therapy program: Prior to entering the program, candidates must complete prerequisite courses and earn a baccalaureate degree from an accredited college or university. There is no preference given to any particular baccalaureate degree. A minimum overall undergraduate grade point average of 3.0 on a 4.0 scale with a minimum average of 3.0 on a 4.0 scale for prerequisite courses. A composite score of 300 or higher on the verbal and quantitative sections of the Graduate Record Examination (GRE) is preferred. A score of 4 out of 6 is recommended on the Analytical Writing Section of the GRE. Students must apply to the DPT program via the new Physical Therapy

Centralized Application Service (PTCAS). Only applications from PTCAS will be considered. Please use the URL [www.ptcas.org](http://www.ptcas.org) to complete your application.

The following are required with your application to PTCAS: Three letters of recommendation. Two of the letters need to be from a licensed physical therapist who can evaluate the applicant's potential as a student in the physical therapy program. The remaining letter can be from a former professor or employer. An autobiographical statement of approximately 300 words describing the student's professional goals and reasons for seeking graduate education in physical therapy. Knowledge of the field through actual work or volunteer experience (a minimum of 100 hours or more divided among hospital and outpatient facilities). Additional hours in diversified settings are strongly recommended. KIRA Virtual Interview. The KIRA assessment is a one-way interview that is required and must be submitted along with your other PTCAS application materials by October 1st. The process will take 20-30 minutes to complete on your own time. You will be asked a question and given prep time and a set amount of time to respond. You'll be able to record your responses from the comfort of your home, and you can do so in your own time. You will need access to a desktop or laptop computer with a functioning camera, microphone, and internet connection to complete the interview. If you have any technical questions while completing the assessment, please email [support@kiratalent.com](mailto:support@kiratalent.com). An interview will be required. Information to be submitted to the Graduate College: Complete and submit the Graduate College online application for admission, with appropriate fees. Official transcripts from all previous college and professional schools. The program is open to qualified applicants without regard to race, color, religion, sex, sexual orientation, age, national origin, marital status, or the presents of any physical, sensory, or mental disability. Prerequisite Courses: In addition to completing the requirements of a baccalaureate degree, applicants must have completed or be able to complete the necessary specific credits of prerequisite course work with a grade of at least a C prior to admission to the program. Grades below a C in prerequisite courses will not be accepted. No more than two prerequisite science courses should be in progress or incomplete and all prerequisite science courses must be completed by the end of the spring semester (quarter) prior to commencing the program. Those students in the process of fulfilling the requirements of a prerequisite course must realize that their acceptance into the program is contingent upon satisfactory completion of that course during the application process. Courses taken on a pass-fail basis may not fulfill prerequisite requirements. Prerequisite course work must have been completed within 10 years from application cycle to fulfill requirements, which are as follows: One year of lecture-based biology courses One year of laboratory and lecture-based anatomy and physiology courses One year of laboratory and lecture-based inorganic chemistry One year of laboratory and lecture-based physics One year psychology (introduction to psychology and one semester of either child, adolescent, developmental or abnormal psychology) One semester statistics Advisement: All entering students will be assigned a specific faculty member for advisement. Policies and Procedures: Policies and procedures for didactic and clinical work regarding course grades, probation, separation, and reapplication are detailed in the Department of Physical Therapy Student Manual and Clinical Education Manual. Objectives: To prepare students to be the purveyors of physical therapy practice through clinical excellence, critical thinking, scientific inquiry,

and social responsibility. To prepare students to differentially diagnose enabling them to establish an appropriate plan of care and provide referral as necessary. To prepare graduates who will be able to work autonomously in a wide variety of settings and roles as practitioners, clinical educators and researchers, supervisors, administrators and consultants. To prepare students to adapt to changes in health care and society and be prepared to work in challenging environments with elderly, rural, and underserved populations. To educate students in the design and implementation of culturally competent health care. To develop scientific practitioners, who are able to demonstrate the ability to critically analyze literature, utilize evidence-based integrated treatment approaches, and value clinical based research. To prepare graduates to educate and encourage patients to achieve functional independence so they may have an improved quality of life and become more productive members of society. To prepare graduates who will be able to organize and promote health awareness, wellness, and prevention education, and reintegrate populations with special needs into the community throughout-reach programs. To prepare graduates to assume a leadership role in addressing critical issues that affect clinical practice, education, research, and public policy. To prepare graduates to be committed to a lifetime of self-directed learning, professional development, integrity, community involvement, and to exemplify professional and personal ethics and values. To prepare graduates to demonstrate understanding of medico-legal issues in physical therapy practice through active involvement in professional organization. To educate students on the benefits of working interdependently with other health care professionals using a team approach to patient care. Students are accepted into a degree program as described in the Graduate Catalog. The faculty and corresponding sub-disciplines and sub-plans within the described programs are subject to change at any time.

## **Plan Requirements**

Total Credits Required: 112

## **Course Requirements**

### **Summer Semester 1st Year Courses - Credits: 8**

<b>DPT 726 Professional Development I</b>	<b>1</b>
<b>DPT 727 Evidence-Based Practice in Physical Therapy</b>	<b>1</b>
<b>DPT 744 Gross Anatomy I</b>	<b>2</b>
<b>DPT 744L Gross Human Anatomy Lab I</b>	<b>1</b>

<b>DPT 745 Gross Anatomy II</b>	<b>2</b>
<b>DPT 745L Gross Human Anatomy Lab II</b>	<b>1</b>

### **Fall Semester 1st Year Courses - Credits: 20**

<b>DPT 730 Foundations of Observation and Assessment</b>	<b>2</b>
<b>DPT 730L Foundations of Observation and Assessment Lab</b>	<b>2</b>
<b>DPT 741 Musculoskeletal I - Orthopedic Principles</b>	<b>3</b>

<b>DPT 772 Physical Therapy Administration</b>	<b>2</b>
<b>DPT 789 Musculoskeletal IV</b>	<b>2</b>

### **Fall Semester 3rd Year Courses - Credits: 9**

<b>DPT 763 Supervised Clinical Education III</b>	<b>3-4</b>
<b>DPT 764 Supervised Clinical Education IV</b>	<b>6</b>

### **Spring Semester 3rd Year Courses - Credits: 9**

<b>DPT 798 Directed Research</b>	<b>1 – 6</b>
<b>[Right] (3 credits)</b>	
<b>[After] *Course Fee</b>	
<b>DPT 765 Supervised Clinical Education V</b>	<b>6</b>

## Degree Requirements

Satisfactory completion of the 112 credits of the Physical Therapy program including the required period of clinical education with a grade point average of 3.00 or higher on a scale of 4.00. Maintain a cumulative grade point average of 3.00 or above each semester enrolled. Receive a grade of B- or above in all required physical therapy courses. Students who do not maintain a 3.00 average or who receive any grade less than a B- in any course at the end of the semester will be notified in writing and placed on probation at that time. A second grade of C+ or lower received in any course in the ensuing semester or failure to restore the cumulative average to 3.00 or above during the ensuing semester will bring about separation from the program. The student's status in the program will be determined the Chair/Director on the recommendation of the Academic Review Committee (ARC) regarding the student's separation or action plan for remediation. The student will not progress in the program if any of the following occur: An earned F in any didactic course. This results in immediate separation without the option for reapplication. Failure of a third attempt of any clinical competency check-off with the exception of the final practical exam. A failure of a final practical exam (different than the competency check-off). A grade of C+ or below in more than one course in any semester. Inability to rectify probationary status within the time frame allotted by the ARC. A student on probation whose actions warrant probation in another category (academic, professional behavior, clinical) may also be separated. A student may register for a Supervised Clinical Education course only two times if the option to reapply is approved by the ARC and a recommendation is made to the department chair/director. This option is only available to students who have failed a clinical rotation and have been separated from the program. This option is not available to students failing didactic course work. A student who is registered for the same course twice and has withdrawn or received a Fail is ineligible for readmission unless otherwise approved by the ARC, Department Chair, and Graduate Dean. The students must follow the proposed curriculum in the specified time frames unless otherwise approved by the ARC, Department Chair, and Graduate Dean. Credit by Challenge Examination: Graduate courses in the Department of Physical Therapy may not be challenged for credit. The program must be completed within six years from the date of matriculation. The chair/director will evaluate potential exceptions. In addition to the course requirements, the student must satisfactorily prepare a written document and oral presentation of a final research project, professional paper, or case report. The presentation will satisfy the requirements for a final capstone experience and will be open to the public. Students must be in good standing with the Department of Physical Therapy and cannot be on a probation status at the time of graduation. Policies related to student probation, separation, and academic progress as stated in the current physical Therapy Student Manual are in compliance with the Graduate College.

## Plan Graduation Requirements

The student must submit all required forms to the Graduate College as well as apply for graduation up to two semesters prior to completing their degree requirements. The student must submit and successfully present their final research project, professional paper, or case report by the posted deadline. The presentation must be advertised and is open to the public. The student must electronically submit a pdf copy of their approved, properly formatted thesis, doctoral project, or dissertation to the Graduate College for format check. Once approved, the student will submit the approved electronic version to ProQuest by the posted deadline. Deadlines can be found here.

## Advising and Culminating Experience

With these changes, will students in this program need a Grad Advisory Committee (GAC) formed?

- Yes  
 No

If yes, please list the applicable subplans that will need a GAC:

With these changes, will students be assigned a faculty advisory prior to GAC formation?

- Yes  
 No

If yes, please list the applicable subplans that will need an advisor:

Comments:

For Master's program only: With these changes, does this program require a prospectus form?

- Yes  
 No

If yes, please list applicable subplans:

With these changes, will the culminating experience be a course?

- Yes  
 No

If yes, please provide course

provide course  
prefix, number and  
name:

With these changes,  
describe the  
culminating  
experience  
(requirements, if  
applicable-which  
subplans will need  
GACs, forms, etc.):

The [Degrees Directory](#) provides current and consistent degree information. Submission of this form indicates acknowledgment and understanding that every department is responsible creating and maintaining accurate and updated program information on the UNLV Degrees Directory.

**If new courses are added as placeholders within this proposal, new courses must be created using a Course Create form simultaneously to the process of this proposal.**

**Degrees Directory Program Entry:**  Check this box to acknowledge the above statement.

**Changes will be applicable to:**  Current Students  
 New Students  
 Both Current and New Students

**If applicable to current students, changes are:**  Mandatory  Optional

**If mandatory:**  If mandatory, I confirm that all students will be notified in writing of these changes as approved by the graduate college  
 Not Mandatory

**Effective Date:**

## READY TO SUBMIT?

After making all your intended changes, please follow these steps:

1. Finish the launch of your proposal by clicking the decisions icon  located to the right of the form. This will display a new decision/approval field on the top right.
2. Click on "approve", add an optional comment if necessary, and then click on the "Make My Decision" button at the bottom to move the proposal forward to the next step. You will see a notification indicating that the proposal has moved forward. You will not be able to edit after moving the proposal forward.
3. Please note that it is your responsibility as the proposer to see that the proposal is reviewed and receives all necessary approvals. Please be encouraged to reach out to reviewers on each step, if necessary.
4. You can check the status of the proposal by clicking on the workflow status icon  to verify that the proposal has gone to the next step.

The workflow status icon  will also show you the current step of the proposal at any given time, and who are the reviewers at that step.

QUESTIONS? contact [gradcurriculum@unlv.edu](mailto:gradcurriculum@unlv.edu)

### III. Department Vote Information

Note: This section is to be filled out by the Department Chair on behalf of the department committee.

(The role has been assigned to the corresponding person on this step. If incorrect, please notify [gradcurriculum@unlv.edu](mailto:gradcurriculum@unlv.edu)).

1. Review the proposal. Discuss and make appropriate revisions.
2. Fill in vote information in the fields below, along with the approval. If Dual or Interdisciplinary: add votes from all departments/colleges involved

3. Then approve/reject by clicking the decisions icon  located to the right of the form. This will display a new decision/approval field on the top right. Click on "approve", add an optional comment if necessary, and then click on the "Make My Decision" button at the bottom to move the proposal forward to the next step. You will see a notification indicating that the proposal has moved forward. You will not be able to edit after moving the proposal forward.

The workflow status icon  will also show you the current step of the proposal at any given time, and who are the reviewers at that step.

If there were any modifications to the proposal, please enter them in the comments box below:

**Comments:**

**Date faculty voted on proposal:** Dec. 13, 2021

**Result of vote:** 12 agree, 1 abstain

**Manner of vote:** online

## IV. College Vote Information

**Note:** This section is to be filled out by the Academic Associate Dean on behalf of the college/school committee.

(The role has been assigned to the corresponding person on this step. If incorrect, please notify [gradcurriculum@unlv.edu](mailto:gradcurriculum@unlv.edu)).

1. Review the proposal. Discuss and make appropriate revisions.
2. Fill in vote information in the fields below, along with the approval. If Dual or Interdisciplinary: add votes from all departments/colleges involved

3. Then approve/reject by clicking the decisions icon  located to the right of the form. This will display a new decision/approval field on the top right. Click on "approve", add an optional comment if necessary, and then click on the "Make My Decision" button at the bottom to move the proposal forward to the next step. You will see a notification indicating that the proposal has moved forward. You will not be able to edit after moving the proposal forward.

The workflow status icon  will also show you the current step of the proposal at any given time, and who are the reviewers at that step.

**Date faculty voted on proposal:** 1/19/22

**Result of vote:** 4 Yes / 0 no/ 0 abstentions

**Manner of vote:** online

## V. Graduate College Use Only - Code Request Items

**Note:** This section is for graduate college use only.
