Department*

Management Entrepreneurship and Technology

Program Type*

Certificate

Degree/ Certificate Name* Graduate Certificate in Data Analytics

FILL IN ONLY fields required marked with an * after importing data. You will not be able to launch the proposal without completing required fields. **Do not make proposed changes** to the information that was imported until after the proposal has been launched in Step 3. Changes will only be tracked after the proposal is launched

Proposal to deactivate or reactivate program* Deactivate Reactivate

Plan Code DAXXXCERT

Program Deactivate/Reactivate Effective Date* Spring 2020

Explanation/ Rationale for this Proposal* Due to lack of resources, enrollments in the program, and the restrictive nature of only offering this online. We have been asked by our dean to deactivate this program as we cannot offer the courses.

If reactivating a program, have there been any changes since the deactivation of this Yes No

program?

If changes are needed, the following steps will need to be completed prior to opening admissions to the reactivated program:

Submit a program change form (changes must be fully approved by the Graduate Programs Committee prior to implementation)

If a program name will be changed, this requires Board of Regent Approval prior to opening admissions

Acknowledge the above statement New Option

II. Information for Program Deactivation Requests

A program may be deactivated for less than five years with the appropriate approvals. A deactivated program will be considered formally eliminated after five years if not reactivated.

See the Academic Program Actions & Processes page for more information: www.unlv.edu/provost/vpap/actions

Are there courses that will no longer be offered? * Yes No

If yes, list courses * DA 701
DA 702
DA 703
DA 704

Are any of these courses required in another program? * Yes No

If yes, list courses * N/A

Are students currently enrolled in the program? * Yes No

If yes, describe how will they be supported through graduation? They will be allowed to take MIS courses in lieu of the required DA courses.

If prospective students have already submitted applications to this program how do you propose handling them? No new applicants are currently being considered. Any new interest will be directed to MIS program or to the new analytics program that is being created.

Please attach required documents by navigating to the Proposal Toolbox and clicking  in the top right corner.

Program Deactivation Request Coversheet available here: www.unlv.edu/provost/vpap/actions

NSHE Program Deactivation Form available here: www.unlv.edu/provost/vpap/actions

- All required forms are attached**

You can check the status of the proposal by clicking  in Proposal Toolbox to verify that the proposal has gone to the next step.

Date faculty voted on proposal Oct 14, 2019

Result of vote 5-0 in favor

Manner of vote In person

V. Processing Notes (Graduate College/Registrar Use Only)

Plan Description

Students that complete this certificate will be trained in basic statistical training and software tools that will focus on the collection, storage, retrieval and analysis of data. This certificate is meant to help those that are involved with data analysis, but lack the skills or understanding to conduct the analysis. For more information about your program, including your graduate program handbook and learning outcomes, please visit the Degree Directory.

Plan Admission Requirements

Application deadlines Applications available on the UNLV Graduate College website. All applicants must review and follow the Graduate College Admission and Registration Requirements. Students must: Meet the general requirements for admission to graduate instruction at the University of Nevada, Las Vegas, as described by the Graduate College, unless already a graduate student at UNLV. Must submit a resume/CV, letter of intent and two letters of reference. Must be employed in a position that treats with data. Meet admissions requirements of the Graduate College of UNLV regarding the TOEFL or other equivalent certifications of English fluency. Complete Graduate College application online and submit a nonrefundable admission application fee. Mail official transcripts to the Graduate College. Send a letter of interest, explaining why you wish to enroll in the certificate. Students are accepted into a certificate program as described in the Graduate Catalog. The faculty and corresponding sub-disciplines and sub-plans within the described programs are subject to change at any time.

Plan Requirements

Total Credits Required: 12

Course Requirements

Required Courses – Credits: 12
