Dear New Programs and Program Revisions Committee Chair and Members:

As Chair of the Department of Teaching and Learning, I am writing, on behalf of our departmental faculty, to express support for the establishment of the proposed graduate certificate in Chief Diversity Officer in Higher Education (CDOHE). The Department of Teaching and Learning will serve as an "academic partner" on this program, with the Department of Educational Psychology and Higher Education academically and administratively managing and housing it. The certificate's core and elective requirements include Department of Teaching and Learning course offerings, and a departmental faculty member will be identified and serve as the departmental "contact person" for the program.

Thank you for your time and consideration of this letter of support. Please let me know if you need any additional information.

Sincerely,

Emily Lin, Ph.D.
Chair, Department of Teaching and Learning
