Proposal to deactivate or reactivate program or subplans*

Deactivate Reactivate

Acknowledgement on Reactivation *

I understand that if I deactivate I must plan the reactivation prior to the publication of the catalog in which I wish the program to be active again. e.g. If I plan to reactivate for 2022, I must have my reactivation fully approved during the 2021 AY.

Acknowledgement of permanent subplan deactivation needs*

I hereby confirm that I am also submitting a program change proposal form, at the same time as this form, with all details of program changes, if intending to permanently deactivate a subplan.

I am not permanently deactivating a subplan

**Explanation/
Rationale for this
Proposal***

The Department of Kinesiology and Nutrition Sciences had two parallel programs that were very similar - MS Exercise Physiology, and MS in Kinesiology. We have chosen to deactivate the MS Exercise Physiology (Thesis track is the only option) and accept all students into the MS Kinesiology (students can opt for thesis track or non-thesis), as it offers more flexibility to the students.

**If reactivating a
program, have there
been any changes
since the
deactivation of this
program?**

Yes No

If changes are needed, the following steps will need to be completed prior to opening admissions to the reactivated program:

Submit a program change form (changes must be fully approved by the Graduate Programs Committee prior to implementation)

If a program name will be changed, this requires Board of Regent Approval prior to opening admissions

**Acknowledge the
above statement**

New Option

II. Information for Program Deactivation Requests

A program may be deactivated for less than five years with the appropriate approvals. A deactivated program will be considered formally eliminated after five years if not reactivated.

See the Academic Program Actions & Processes page for more information: www.unlv.edu/provost/vpap/actions

Plan Description

The Master of Science – Exercise Physiology is designed to provide the student with an understanding of the physiological effects of exercise on the human body. The program also emphasizes the effect of regular exercise on adults and offers students experience in conducting physical fitness evaluations, and exercise testing. In addition, the graduate is prepared for entrance into a doctoral program in exercise physiology. The program emphasizes academic preparation in exercise physiology, laboratory experience, knowledge of research methodology, and statistics. Students must complete a thesis in the general area of exercise physiology. For more information about your program including your graduate program handbook and learning outcomes please visit the Degree Directory.

Plan Admission Requirements

Application deadlines Applications available on the UNLV Graduate College website. Students are admitted in the fall, spring, and summer semesters. Applicants for admission must have an undergraduate major in kinesiology, exercise science, physical education, athletic training, biology, nutrition, or a related academic discipline. Applicants must have a minimum overall undergraduate grade point average of 2.75 (A=4.0), or 3.00 (A=4.0) in the last two years. The Graduate Record Examination must be taken prior to applying. Successful applicants generally have a 3.00 undergraduate grade point average and a combined score of 300 on verbal and quantitative sections of the GRE and higher than 3.5 on the analytical section. Interested applicants must send the following information to the Graduate College: A completed application for graduate studies. Official transcripts of all colleges and universities attended. Interested applicants must upload the following information into the Grad Rebel Gateway system: Copies of all transcripts sent to the Graduate College. Official GRE scores. A letter of intent that addresses: Reason(s) for wishing to earn an advanced degree. Motivation for attending UNLV. Summary of educational goals. Summary of research activities and interests. Possible faculty mentors. Two letters of recommendation from persons familiar with the applicant's academic record and potential for graduate study. All domestic and international applicants must review and follow the Graduate College Admission and Registration Requirements. Students are accepted into a degree program as described in the Graduate Catalog. The faculty and corresponding sub-disciplines and sub-plans within the described programs are subject to change at any time.
