Provide a Brief Summary of Proposed Changes

I'm making 2 changes to the Plan Disclaimer:

Additional statement: In addition to Nevada, UNLV School of Nursing currently accepts applicants from Arizona, California, and Utah.

Also, for the final line "Please check the Graduate College Application Deadline page for current information about the Spring 2021 Application", I want it to end with Spring Application (no year)

Provide a rationale for each proposed change

We are letting prospective students know where we are accepting applications from to expand our pool. The other change is to make it more general and not have a specific year, especially as time goes on, it won't be dated.

Do not make any changes to any information until the proposal has been launched in Step 4.

Follow these steps to change the program curriculum:

1. Click on  "View Curriculum Schema." Edit existing cores or click 'Add Core' and name your core (please use a comparable degree program in the current graduate catalog as a template). Edit or add any descriptive text (do not add courses until Step 2). Descriptive text is generally used in the following cores: Plan Description, Plan Admission Requirements, Plan Requirements, Plan Graduation Requirements.
2. There are two options for adding courses (see Step 3 to remove courses): "Add Course" and "Import Course." For courses already in the catalog, click on "Import Course" and find the courses needed. For new classes going through a Curriculum Approval Process click on "Add Course"-- a box will open asking you for the Prefix, Course Number and Course Title.
3. Click on  "View Curriculum Schema." Click on the area/header of the program where you would like to add courses. When you click on "Add Courses" it will bring up the list of courses available from Step 2. Select the courses you wish to add. For removing courses click on the  and proceed.

Plan Description

Individuals who already have a graduate degree in nursing, are certified family nurse practitioners, and meet the admission qualifications will be allowed to take courses as a non-degree student. No degree will be awarded, but a certificate documenting completion of the course work will be provided and transcripts showing completion of the courses will be available. Each individual applicant will be evaluated to determine the courses required in order to complete the specific certificate program. Additional courses beyond the minimum courses needed for the certificate program may be required if the applicant's earned graduate degree in nursing lacks courses required by the UNLV School of Nursing. For more information about your program, including your graduate program handbook and learning outcomes, please visit the Degrees Directory. View Certificate Disclaimer.

In Nevada, the educational prerequisites for professional licensure or certification for the Advanced Graduate Certificate in Psychiatric Mental Health Nurse Practitioner (PMHNP) are an active Nevada RN License, National Certification as a Psychiatric Mental Health Nurse Practitioner, and graduation from a nationally accredited Nursing Program with a minimum of 500+ hours of direct patient care. The Advanced Graduate Certificate in Psychiatric Mental Health Nurse Practitioner does NOT currently satisfy those licensure and certification requirements as this is a new program and a substantive program change form will be submitted to our accrediting body, the Commission of Collegiate Nursing Education (CCNE), when the program is implemented. In addition to Nevada, UNLV School of Nursing currently accepts applicants from Arizona, California, and Utah. UNLV School of Nursing has not made a determination with respect to the licensure requirements in any other state. As such, Advanced Graduate Certificate in Psychiatric Mental Health Nurse Practitioner is not authorized in any other state in which the prospective or

enrolled student resides. If you reside in a state other than Nevada or CCNE does not grant accreditation as anticipated, UNLV will refund the applicable application fee in accordance with its procedures. License requirements for other states are being explored. Please check the Graduate College Application Deadline page for current information about the Spring application.
