To the UNLV Graduate College:

The Dean's Office in the College of Education is pleased to support the creation of the Early Childhood Special Education-Infancy Certificate Program and the Early Childhood Special Education-Preschool Certificate Program. Both programs have been approved by the department faculty. No additional resources will be needed to implement these programs. These programs address areas of critical need in the community and local school district. We support their creation and implementation.

Please contact me if you need any further information.

Sincerely,

Jane McCarthy, Ed.D.
Interim Associate Executive Dean
