Hello Ashley,

The vote for the School of Music Catalog changes for all tracks except one was 16 yes, 0 no.

I have been asked to hold off on one change until the fall semester. Please do not update the DMA Percussion catalog changes (I will attach that request for your reference), but all of the others received unanimous approval.

Please let me know if you need anything else.

Thank you.

Jennifer

Good morning Dr. Grim,

As a reminder from Tuesday's meeting, although the School of Music deemed a faculty vote unnecessary, per the Graduate Programs Committee we need an approval via a faculty vote in order for the DMA & MM [proposed changes](#) to be approved. Please submit the vote results to me no later than May 30th.

If the School of Music opts not to conduct a vote at this time then in order to maintain the accuracy of the Degrees Directory the School of Music handbooks should be revised to match the DMA and MM programs as they will be reflected in the 2017-2018 catalog.

If necessary, I will move the proposed changes to the next Graduate Programs Committee agenda. Please let me know if you have any questions or concerns.

Thank you,
Ashley
