Notes: Cohorts include degree-seeking students enrolled in the cohort term as of the official preliminary enrollment census date. Undergraduate cohorts (New Freshmen and New Transfers) include students who were admitted in the cohort term or in the preceding summer term. This report may contain information that is protected under FERPA (the Family Educational Rights Privacy Act). You are granted access to this information in your capacity as a UNLV employee responsible for abiding applicable laws and University policies. Students who have not yet declared a major (i.e., 'Exploring') have a college and department of major of 'University of Nevada Las Vegas'. Small cohort counts will limit the extent to which rates may be appropriately generalized. Source: UNLV Data Warehouse/MyUNLV Analytics Office of Decision Support, 12/17/2014
