II. Change

Hold Release from hold

III. Explanation/Rationale for this Proposal

An additional faculty member with a DMA in choral conducting has been added to the Division of Choral Studies, along with dedicated resources. This makes it possible to release the program's on-hold status and move to active, beginning in Fall 2019. Additionally we have received increased interest in the program from local teachers and undergraduate students around the Southwest.

IV. Program change will be effective (Enter semester and year OR date):

Fall 2019
