We would like to ask that the admissions for the Acting (Performance) Subplan, be put on hold for the 2019-2020 school year and we will begin recruiting, again, for admission in Fall 2020 for the 2020-2021 school year. For the moment could a line in the Catalog at the Acting Subplan read something to the effect:

We are not currently accepting applications for the 2019-2020 year. Please try again for the 2020-2021 year.

Please note that all other graduate areas of study in Theatre are open for admission.
